Dear Screamin Eagles,

About 18 members met at the Farm Heritage Days Show in Greenville, IL on July 29<sup>th</sup>. Members participated in the Tractorcade, parade, and Case only tractor pull. Our booth was well received by those that attended the show and was very appreciated by the Greenville club. President Alois did a good job getting everything set up. There were about 80 Case tractors displayed at the show. We have added 5 new members:

John Arter, Raymond, IL  
Ron Bauersachs, Campbell Hill, IL  
Paul Brown, Hardin, IL  
Roger A. Dustmann, Dorsey, IL  
Fred Seaman, Hallsville, MO

Time is here for the MO River Valley Steam Engine Asso. Show near Boonville, MO September 8, 9, and 10. It is our time to show Case in our building. We hope that as many of you as possible will make it to the show. We will have the concession stand, parts corral, and displays in the building. Anyone with Case items to display would be welcome to bring their items.

The **August meeting will be a work day on August 28<sup>th</sup>** at 6:00 at the club building. It will be mostly cleaning and getting things set up for the show. Come and join the fun.

Remember that raffle tickets were sent in the last letter. The raffle is for a handmade quilt, a 17" repro cast Case Eagle and a Spirit of '76 Case toy tractor. The raffle and concession stand are our fund raisers for the year so help out if you can. Send the money and tickets to Mike Holder at 805 S. Ogden, Sturgeon, MO 65284 or bring them to Boonville.

Plans for the concession stand have been made. Anyone willing to work in the concession stand would be welcomed. We can always use help. We are not going to open on Thursday but will start first thing on Friday.

There will be a parts corral again this year in our building for the Brady show grounds where you can bring your items to sell. Any brand of items can be sold. The club gets 10% of the sales. Each consigner will have a number this year for bookkeeping purposes.

We had many people looking at our board of pictures of members at the Greenville Show. It will be on display at Boonville so if you have not turned in your picture of you with your Case tractor or piece of equipment, send them to us so we can get them on display. Also remember that members are asked to donate old parts or part boxes that can be displayed on the parts shelves at our building to help make it look like an old dealership.

Sincerely, Jim and Mary Peeper, Secretaries

Wayne and his brother Vernon, farm together and now own 966 acres. They farm 500 acres of row crops and hay. They also raise beef cattle.
