Boonville Show September 10-13

Greetings Casers,

Hope everyone got their farming done and are able to enjoy some fun the rest of the summer. We are gearing up for the September show at Boonville. The featured tractor this year is Miscellaneous and Odd Ball "Lesser Known Tractors." They have a lot to offer for entertainment and a good selection of tractors to look at.

About 17 people gathered at Earl Switzer's in Perry, MO for the June meeting. It was a good day to farm for MO people which probably accounted for the low turn out. They had time to look over Earl's tractors and to visit before the meeting. At the meeting it was decided to have a battery pack, a quilt, and a Case clock for the raffle. A reminder was given that Paris, MO would be featuring Case the weekend of July 10-12 and Shelbina features Case Sept. 17-20.

We have a couple of posters for the building that could use a simple frame—nothing fancy. We need one 12"x24" and one 12"x22". To help preserve these posters they need to have glass protecting them. If anyone is a woodworker and would be willing to make these, let us know at 573-682-5253.

Our August work day meeting will be Sunday, August 30<sup>th</sup> at our building at the Wooldridge exit of I-70. We will start about 1:00. For those that have not been there, our building is located on the grounds of the Missouri River Valley Steam Engine club. We will need some weed eaters or push mowers to mow up close to the building. Hand tools would be helpful. Call Mike or Jim if you have questions. We will appreciate all the help we can get.

Tickets are enclosed with pictures of the raffle items. The battery power pack is a handy item to keep with you as you are working on your tractors and equipment. It is something everyone could use. The quilt is made of old ties and was donated by member, Mary Sorrells. A beautiful piece of work. The clock face was designed by Dan Bockhold and features a Case tractor for each hour. What better clock to have on your wall, than a Case tractor. Do your part by selling or buying tickets. This gives us funds to continue to upgrade our building and to operate the club during the year. There are \$10.00 worth of tickets included. Pictures of the quilt and clock are below.

Remember that another main fundraiser is the concession stand at the Boonville show so plan on helping if you can. We will have the same menu as last year. Mary will welcome any help that you can give.

We have an outstanding website so remember to help Dan by emailing or bringing him pictures to add to the web. [dbockhold@netzero.net](mailto:dbockhold@netzero.net).

If anyone has a shirt that they would like to have our logo on, get it to Mike Holder, 805 S. Ogden, Sturgeon, MO 65284 or Jim Peeper, 11585 Rodney Griffin, Centralia, MO 65240. It will cost \$5.00 per shirt.

If you have ideas of things that you would like to see the club do, let an officer know.

Our Sept. meeting will be in our building during the show on Sat. afternoon.

Jim and Mary Peeper  
Secretaries

## Case Feature Shows:

JICCA-August 21-23, Baraboo, WI

Shelbina, MO-September 17-20

# GREASE RAG
