

# MO SCREAMIN EAGLES CASE CLUB

January, 2006

Dear Case Members,

Hope that everyone had a wonderful Holiday season. We can not complain about the winter weather this year. Makes it nice to be able to get out and work on old tractors to get them ready for the spring and summer shows.

We had a great turnout for the November meeting in Centralia even though the forecast for the weather that night was not very good. Everyone enjoyed visiting and there were members here from three states.

We want to welcome two new members to the club:

Bill Kuntz of Wever, IA

Tom Carnes of Richland, MO

Ray Miller has volunteered to bring his Case 300 to the Kansas City Farm Show the end of February. We appreciate him agreeing to do this. We will have a booth set up so we will **need people** to help man the booth. Please let me know if you are available to help and what days. President Don Hartz reported that there would be no cost for the booth this year.

More discussion was held on the idea of hosting a National Case Show sometime in the future, such as the ones International and Allis have. Let someone know if you have any ideas or feelings on this project.

It was decided to have our **January meeting on Friday, the 27<sup>th</sup>**. This dinner meeting will start at 6:00 and will be held in Paris, MO at the Lake Village Restaurant on Hwy 15 South just at the south edge of town. There will be a buffet with drinks and dessert included for \$10.00. That also includes the tip. This is a great time to bring your wife and family for a night out. Saturday is the large Wheeler Paris auction so you can look over the equipment before dinner. Remember that the **election of officers** will be held at this January meeting so submit your name if you are interested in running for an office.

Hope to see a big crowd at this meeting. Hopefully there will be good weather.

With the beginning of the new year, club **dues** are due. We are keeping our dues at \$10.00 for 2006. These can be mailed to Mike Holder at 805 Ogden, Sturgeon, MO 65284 or brought to the meeting.

Just a reminder, members are asked to donate old parts that can be displayed on the parts shelves at our building. This will help to make it look like a dealership in the future.

Sincerely,

Jim and Mary Peeper, Secretaries

11585 Rodney Griffin, Centralia, MO 65240
