

# MO SCREAMIN EAGLES CASE CLUB

July, 2008

[www.missouriscreamineagles.com](http://www.missouriscreamineagles.com)

Greetings Case Members,

This has been an interesting summer as we have dealt with the weather issues. Hope your crops are planted and coming up if you farm. There are a lot of acres around here not worked. I got mine planted but it was late.

Our June meeting was held at the Red Power Roundup in Columbia, MO. There were about 15 members who braved the mud. Mike Holder reported that there was about \$400.00 in the bank account. That was after paying \$100.00 to have the food booth and recent postage. The idea was suggested that due to the price of gasoline, that the club meet every other month, not every month. We would like to hear from members about that idea. Mike Holder and Wayne Russell are in charge of getting paneling to put on the restroom walls. A work day at our building will be held on Sunday, Aug. 17<sup>th</sup>. This will be to work to finish up the restroom and to clean the building for the show. We will need to mow the grass around the building also. More details in the next letter but put the date on your calendar.

Welcome to new member Don Livingston, Austin, MN. Glad to have you in the club.

Our July meeting will be at Wayne Gamm's house near Bowling Green on Monday, July 28<sup>th</sup>. Members can start arriving at 5:00. The meeting will be at 6:30. To get to Wayne's go east on Hwy 54 to Vera, turn right at sign and take Co Rd 291 for ½ mile. Cross the railroad onto 280, go 1 ½ miles to tractor parked by road. It is the 5<sup>th</sup> place on the right on road 280. His phone number is 573-324-2753 if you get lost. Wayne has two Case cars and some nice tractors to look at. A night worth your time.

Dan Bockhold still needs good photos of restored tractors (no people) to put on a clock that we can sale for a fund raiser. You can email the pictures to [dbockhold@netzero.com](mailto:dbockhold@netzero.com) or mail them to Dan at 1202 Choctaw Ridge Dr, Holts Summit, MO 65043. He is using both flambeau and two-tone tractors. He would like to make a DVD of tractors and other Case items. He will need digital pictures for that project. Let's help Dan out and get him some pictures.

Look forward to receiving raffle tickets next month. This is one of our fundraisers to cover costs of improvements at the building and other club expenses.

Hope to see you at Gamm's on the 28<sup>th</sup> and at the building on August 17<sup>th</sup>.

Jim and Mary Peeper, Secretaries  
573-682-5253
