Dear MO Screamin Eagle Case Club Members,

We are plenty wet here in mid-Missouri with very little farm work done. Looks like a late planting season for sure. May have to use a little larger tractor than a 570 Case.

About 22 members gathered at Paul Dubbert's farm to roam through his tractors and other farm equipment at our last meeting. Even though we had stiff winds and some rain, it was an enjoyable afternoon for those that attended. Thanks to Paul and Pam for having us and for providing a good place for a delicious meal. It is great to get to taste all the goodies that are brought to a carry-in dinner.

Alois called the meeting to order when everyone had finished stuffing themselves. Members that attended the tour in Burlington, IA in March, expressed their enjoyment of the weekend. Pictures were passed around and members shared some of the highlights. It was recommended that we try to find a place to go next March for a similar type of tour or mini-winter convention. Jim Peeper moved that we authorize Mike Holder to write a check for a septic tank and lines when the weather allowed work to begin. JB DeWestplore seconded the motion. Members shared prices from several recent auctions that they had attended. Information was given out about the tractor ride from Centralia, MO to Sturgeon, MO on June 9<sup>th</sup> that the Centralia FFA Alumni is sponsoring. It was decided that there would be no May meeting due to later farming. The June meeting will be Sunday, June 27<sup>th</sup>, at the building. This will be a carry-in dinner to be enjoyed after an afternoon of work. The club will provide the meat. More details next month.

The club has picture boards containing pictures of members with their tractor or other Case equipment in the building and to take to shows. If your picture is not included, send me a picture. It is good to see the faces of the members that some do not get to see very often. Also, send in your member profile if you would like to be featured in the newsletter.

**Club dues are due** if you have not paid yours. It is still a bargain of \$10.00 and can be mailed to Mike Holder at 805 S. Ogden, Sturgeon, MO 65284. We now have Screamin Eagle Club visors for \$10.00 as well as our hats.

Jim and Mary Peeper  
Secretaries
