## GREETING CASE PEOPLE

Most of the crops have been harvested for the fall season, and we will soon be busy with winter activities. Working on tractors and machinery, hunting, going to auctions, farm shows, and toy shows are some of the activities most of us enjoy.

I wish to thank everyone who attended and helped at our Club shows this summer. Even though the weather was hot, everyone seemed to enjoy the show at Greenville, IL and their organization was happy that our Club members made the good showing we did. The weather was much nicer for the Boonville show in September and we had a good show there. The Gathering of the Orange, Allis Chalmers show helped them draw record crowds and our concession stand was very busy. The ladies who worked our Concession stand did an excellent job of serving food and drink to customers, and they deserve all the thanks we can possibly give them. I also want to thank all the men who helped with cleaning up and getting ready for the show, working during the show, and cleaning up after the show.

Thanks to Buddy and Carol Norman who hosted our annual picnic meeting on a very nice Sunday afternoon, October 29th. It is always interesting to see the collection of tractors and salvage equipment they have. Thanks also to Mike and Carolyn Holder for preparing the delicious meat.

At our next meeting on November 27th we will be making final plans for our Clubs 10th anniversary celebration. Friday December 29th is the date we have set for this. Please try to attend this event as it will be marking a milestone for Screamin Eagles. Watch for details in the newsletter.

Thank you,  
Alois Hoffmann,

President

Everyone that attended the October meeting at Carol and Buddy's had a very good time and enjoyed an outstanding meal. The men had plenty of tractors to look at. There were about 38 people there. Thanks again to Buddy and Carol.

We would like to welcome two new members:

Kee Groshong of Columbia, MO

Richard Adams of Columbia, MO

Both men are active members of the MO River Valley Steam Engine Association at Boonville.

Discussion was held concerning the next improvements to our building. Dennis Ficken was thanked again for getting the water line in. It was decided that we would try to get a bathroom and mini-kitchen area put in. Dennis is checking on the requirements for the sewer in Cooper County. We plan to rough in the plumbing then pour more

concrete. It was also brought up that we need outside electric circuits and more lights in the parts area and where the mini-kitchen will be.

Discussion was also held concerning our 10th Anniversary celebration that will be held Friday, December 29th at the Holy Spirit Catholic Church Multipurpose Building in Centralia. We plan to start arriving at 5:00 and eat at 6:00. There will be Entertainment, tractor videos and areas to play cards or visit. Mike Holder offered to cook the meat which the club will provide and Frances Thomas volunteered to bring homemade rolls. Each other member is asked to bring a dish of food. We hope to have a good crowd there for a fun evening.

In the past few years we have had a booth at the Kansas City Farm Show the end of February. We need to have a list of people who would be interested in helping with the booth before we commit to doing the booth. Ray Miller of Independence has offered to bring a tractor (different from the one last year). The show runs on Saturday, Sunday, and Monday. Please let Alois or Jim know if you are interested in helping.

The November meeting will be Monday the 27th at Peeper Tractor. It is located just west of the intersection of Hwy 124 and CC at the west side of Centralia. If you need further directions, call Jim at 573-682-5253. We will start at 6:30.

If anyone is interested in hosting a club meeting in the next several months or even during the summer, please let one of the officers know: Alois Hoffman 618-538-5427, Mike Holder 573-687-3558, or Jim 573-682-5253. We would like to visit different places and see different collections from time to time.

Our computer crashed this past month so we need new email addresses from many of you.

We have some but not all. It helps the postage bill to email rather than send some of the letters. Please email us at [jpeeper@centurytel.net](mailto:jpeeper@centurytel.net).

Respectfully submitted by,  
Jim and Mary Peeper, Secretaries

## **Meet Your Club Members Ed Keuning**

Ed sends his greetings as a Case buddy from Pella, IA. He is a little far away to participate very much in the club but he enjoys Case people and clubs. His interest is mostly in Midwest traditional, general purpose tractors. He presently owns 8 Case tractors: 1950 VAC, 1951 VAC, 1952-SC, 1957-400, 1959-701 D, 1959-900, 1962-830 D, 1975-970 D, and a 442 and 444 Case yard tractors. I also own a 1950 8N Ford.

Ed is officially retired but still uses the tractors and Case implements to work about 40 acres of corn and soybeans and to maintain 95 acres of CRP.

Please send us, or bring to the meeting, biographical information about yourself. It only has to be notes, we can write the actual article. It should include some brief information about where you live and what you do, about your family and personal background, your beginning interest in Case, what you have in the way of Case, other interests you have, and anything else you want us to know.
