GREETING SCREAMIN EAGLE PEOPLE,

Time to write a presidents message again. It is raining here as I write this and it looks as if we could be in for a long and wet harvest season till all the field work gets finished. Anyway we had a very good show at Boonville, thanks to good weather and a great effort by our members. All the expenses are not in yet, however by the next club meeting we should have some final totals. Saturday was one of the best attended days they have ever had at the Boonville show grounds and our club building looked excellent. Thanks to all the members who came out for the work day on August 30th. We accomplished a lot towards improving the building that day. Thanks to all the members who helped with setting things up before the show, worked during the show and helped put items away at the conclusion. Our ladies who worked the food stand deserve a big thank you for making this a successful event.

Our next meeting is scheduled for November 1st and we need to make some decisions on some of our upcoming events for the next year. Those of you who have volunteered as chairman for the 2011 show keep coming up with ideas for good exhibits. How many more improvements we are able to make to the building before the 2011 show will need to be discussed. The 2011 show will be our most important event to date, as it will draw many Case collectors from around the country and the building needs to be as neat as possible. Meetings and tractor collecting activates may take a back seat to field work this harvest season and that is understandable, and we do appreciate the good turnouts we have for our meetings. by Alois Hoffmann

There was not a September meeting due to the length of the parade and conflict of other activities at the Boonville show. We had a great day on Saturday in the concession stand but it was a very long day for the 5 women that were working. Sunday was the slowest day. Overall we profited about \$1286.80. We took in \$583.00 on the raffle and had \$100.00 expense. The concession stand brought in \$2175.00 before expenses. We had to pay 10% to the Boonville club and had to pay sales tax plus the food and paper products. We had a lot of compliments on the building. It is looking good.

Winners of the raffle were: Jim Peeper-Quilt; Cindy Baker-Battery Pack; Mariam Stonum-clock. Thanks to all those that purchased tickets. All winners were club members.

On Sunday, November 1st, we will have our meeting at Buddy and Carol Norman's. We will start arriving to look over Buddy's tractors at 3:00 and will eat at 5:30. We will have a carry-in dinner so you will need to bring a dish of food to share. The meat will not be furnished this year. The table service will be provided as well as the drinks. To get there go 12 miles east of Paris (That is Mo, not France) on Hwy 154 to Co Rd 581. Look for a sign advertising Norman Boat Storage and turn north. Go about 1 ½ miles and turn left into the driveway by the big storage building. His address is 18751 Monroe Rd 581, Perry, MO. Their phone number is 573-565-2288. **Nov. 1 is the day we go off daylight savings time.**

We would like to welcome our newest members:

David & Elaine Simmons of Boonville

Cheri Friedrich of Wooldridge, MO

Dave West of Osceola, IA

Thanks to Jerry Stinebaker for a donation of a large quantity of plates and trash bags. Thanks to Larry Holder for making a frame to display the poster we are selling.

We have an outstanding website so remember to help Dan by emailing or bringing him pictures to add to the web. dbockhold@netzero.net. People that came through the building

enjoyed the DVD that Dan made. It shows past plow days, past shows and much more. Thanks Dan. We want to look into making copies of the DVD to sell.

If anyone has a shirt that they would like to have our logo on, get it to Mike Holder, 805 S. Ogden, Sturgeon, MO 65284 or Jim Peeper, 11585 Rodney Griffin, Centralia, MO 65240. It will cost \$5.00 per shirt.

If you have ideas of things that you would like to see the club do, let an officer know.

Jim and Mary Peeper
Secretaries

GREASE RAG
